The eighteen adventurers who went to Brazil on the American line steamer New-York on Saturday, are still stranded. They made calls yesterday on Charles E. Flint & Co., on Shipping Agent Quail, on the Brazilian Consul, in State-st., and also at the vice-consul's office at No. 22 William st. DISARMING THE SICILIANS.

THREE HUNDRED ANARCHISTS UNDER ARREST IN THE CARRARA DISTRICT.

CRISPI TO PROVE TO THE DEPUTIES THAT THE REVOLT WAS PLOTTED SOME TIME AGO-THE

20-A PASTORAL LETTER TO THE

Rome, Jan. 22.-Dispatches from Palermo say that the disarming of the workingmen and peasants of Sicily is proceeding in an orderly manner. Everything was quiet to-day in the Carrara district. Altogether about 300 Anarchists have been arrested there.

At the reopening of the Chamber of Deputies Prime Minister Crispi will not wait for interpellations to be made, but will at once report to the Chamber the exceptional measures which have been adopted by the Government to meet the danger of insurrection. He will state that the preparations for a rising were made some time ago, and will produce documents substantiating his assertion.

The Ministers decided to-day to postpone until February 20 the meeting of the Chamber. This step was taken not only because the financial programme is far from complete, but also because the Government fears the effects of the parliamentary debates upon the troubled districts. Socialist and Radical Deputies would surely persist in discussing at length the disturbances in Italy and Sicily, and their criticisms of the Government, it is feared, would incite the people to fresh outbreaks. By February 20, however, the Ministers expect that the pacification of the disaffected towns will be com-

pacineation of the usariected to the plete.

The Bishop of Massa has issued a pastoral letter instructing the clergy of his diocese to impress on the people their obligation to resist Anarchist agitation and preserve order.

The Sicilian Senators held a meeting in Rome yesterday, and debated measures for the relief of the poor of the island. They concurred in the opinion that the Government ought to take decisive action, for the reason that after the decree establishing a state of siege in Sicily should have been annulled, many of the land-owners, who under fear of revolution have modified their contracts with peasants, would refuse to stand by those modifications. by those modifications.

Berlin, Jan. 22.-At a meeting of the Budget Committee of the Landtag to-day, Councillor von Mossow said that he had received information from Belgrade that ex-King Milan had been assassinated last night. No official confirmation of the report has been received, and it is generally considered to be nothing more than an echo of the report circulated yesterday that King Alexander had been killed.

Raynal, Minister of the Interior, are reported to be opposing earnestly the proposals of M. Viger, Minister of Agriculture, for an increase of the corn duties. In any event, it is said, the Ministry will not accept the sliding scale, which the majority of the Ministers fear would favor principally American syndicates.

J. S. BALFOUR ARRESTED IN THE AR-GENTINE.

Buenos Ayres, Jan. 22.-The "Argentina Times" ays that Jabez Spencer Balfour, who is wanted in England for the part he took in bringing about the collapse of the Liberator Building Societies and several similar concerns, has been arrested at Salta, capital of the northernmost province of the Argentine Republic. The arrest was made at the instance of the British Consul there. Balfour will be taken to England on a steamer sailing from Buenos Ayres on Saturday.

GALLIA DELAYED BY A SLIGHT ACCIDENT. Queenstown, Jan. 22.-The Cunard Line steamer Gailia, Captain Hewitson, from Liverpool Janu Gallia. Captain Hewitson, from Liverpool January 20, for New-York, which was spoken yesterday ten miles off Waterford Hook with her machinery out of order, arrived off this port this morning under her own steam. A tender carrying passengers and mails went out to meet her. She reported that she damaged her high-pressure silde-rod when near Waterford Hook, at 8 o'clock yesterday morning. Her engineers repaired the damage, and her engines were started again at 2 o'clock this morning. At 10:40 o'clock this morning she proceeded hence for New-York.

REDMOND OUTLINES COURSE OF ACTION. Dublin, Jan. 22.-John E. Redmond, the Parnellite leader, addressed a meeting at Roscommon yesterday but rebuffs, and as most of them are constituents of Senators John F. Ahearn and T. D. Sullivan, it is thought that they will be looked after in a day or two. Most of them say that they belong to "de Fort Ward, see?"

One of the men, Patrick Flynn, is now at the Marine Hospital, suffering from rheumatism.

Sources have been made public regarding the movements of General Saraiva, who, as told in these dispatches of yesterday, was said to have arrived in Rio Janeiro Bay with reinforcements of 8,000 troops for the insurgents. This force is said to have arrived in Rio Janeiro on the night of January 15.
Before leaving Parana, General Saraiva is said to have seized 2,134 rifles, 400,000 cartridges, two Krupp guns and amunition for them, and \$250,000 in cash.

The officer, who had his sword in his hand, turned on the wounded man and dispatched him. The comrades of the murdered man sprang upon the officer and would undoubtedly have killed by the had it not been that another shell fell into the struggling crowd and exploded. Five of the men were killed by this shell, and the others then returned to their posts.

Brussels, Jan. 22.-A dispatch to the "Independance Beige," from the Congo Free State, says that the German authorities in East Africa are partly responsible for the recent attack on Kassongo by the Arabs, in whichh Captain Ponthier was killed. Rumalizu, the Arab leader, the dispatch adds, recruited his forces at Ujiji, under the eyes of the Germans,

his forces at Ujiji, under the eyes of the Germans, who did nothing to prevent him from obtaining as many onen as he could. The reports of the severe slaughter during the battle have been confirmed, though the advantage of the contest remains with the Belgians.

Paris, Jan. 22.—In the Chamber of Deputies to-day M. Brunet interpellated the Government as to the condition of affairs in Madagascar. In reply, Prime Minister Casimir-Perier said that the situation was not grave. An expedition to the island was not necessary. The disquieting reports in circulation were exaggerated. The Chamber, he added, could rest assured that the Government would energetially safeguard French rights. The House approved of the Prime Minister's declaration.

MR. BALFOUR ON IMPERIAL DEFENCE. PLEDGING HIS PARTY TO SUPPORT EFFORTS TO STRENGTHEN THE ARMY AND NAVY-THE FEELING OF FRANCE AND RUSSIA.

London, Jan. 22.-Arthur J. Balfour, leader the Unionists in the House of Commons, spoke at length to-night before a meeting in Manchester on said, was at present of paramount interest. Any nation or combination of nations which was able to wrest from Great Britain her supremacy of the seas could bring her to her knees without landing a single soldier on English soil. He did not believe any Government was justified in expecting a long era of peace. The French and Russian governments were pushing forward with all speed the work of their dockyards. Certain movements made of late years in Asia were only too obviously directed against England. While there were indications that France and Russia were earnestly bent upon peace, their main arrangements evidently were prompted by the assumption of conflict with England, sooner or later, singly or combined. He believed that the English people were amicably disposed toward France, but he must admit, with the deepest rethe conviction that the French were hostile

o England.

Finally, Mr. Balfour appealed to the electors to nfluence their representatives in Parliament by all lossible means to assist in strengthening quickly and efficiently the country's defences. He could oledge the Opposition, he said, to co-operate corilarly with the Government in every effort to increase England's naval and military power.
